## WHO AM I?

I'm **Abolfazl Mohajeri**.

I'm **Programmer & Developer**.

I've started my work about **8 years ago**.

During my job experience, I acquired practical skills with interesting **technologies, tasks and people**.

PHP Frameworks (Laravel, ...)   
 Java Frameworks (Spring Boot, ...)   
 CSS Frameworks (Bootstrap, Semantic, ...)   
 JS Frameworks (Vue, ...)

Please Take A Look At My [StackOverFlow](#) (@abolfazl\_mohajeri) And [GitHub](#) (@abmohajeri) Pages

## EDUCATION

- 2012 – 2016 **Diploma** **Mobin Featured High School**  
I passed the entrance exam and studied mathematics at mobin featured high school.
- 2016 – Now **Bachelor's Degree - Presently Studying** **Islamic Azad University Of Mashhad**  
I'm studying computer engineering at islamic azad university of mashhad with high scores in different lessons.

## EXPERIENCE

- 2013 – 2017 **Freelancing**  
I've started my work since when i was young with creating simple blogs and websites with CMS like wordpress; After some times i interested in some advanced topic in programming and that was a start to direct me to better web developer.  
Back-End / Front-End / Android / ...
- 2017 – 2018 part time **Web developer** **Mahan System**  
My first formal part time job experience was in mahan system where output of that co-operation was salamsafar.com (booking flight and hotels) and some other nice projects.  
PHP / Laravel / JS / Wordpress
- 2018 – 2019 **Web Developer** **Mobin Tabaran Intelligent Structures**  
My best job experience passed in Mobin Tabaran Intelligent Structures, resulted in good friendship and professional projects.  
Java / Spring Boot / Js
